Tech Talk Sponsoring

As well as a yearly hackathon in December, LauzHack organizes **weekly tech talks** at EPFL during the academic school year. It is an excellent opportunity to have a dedicated session for your company to present your technology and meet highly motivated and curious students.

In the Fall 2023 semester, we had **895 signups** over **10 events** (excl. hackathon).

What does it cost? **1200 CHF**

Format

🕐 60-90 minutes

🍕 Followed by pizza and non-alcoholics drinks

Up to 80 participants (Bachelor, Master, PhD)

Have something in mind?
Let's discuss!

Content

We highly recommend making it *interactive* and *technical*!

Come with your content or sponsor one of our workshops (Python, Git, Docker, ML, and more).
